OVERVIEW

Dauno Global Limited is pleased to present the Nigeria - Italy Business Mission set to take place in Rome. The business mission scheduled for 19 - 21 July 2022 seeks to expand and grow a sustainable relationship between the Nigerian and Italian business communities and create a transformative impact for participants joining the mission.

OBJECTIVES OF THE MISSION

- Strengthen current multi-agency efforts to improve foreign direct Investment, thereby achieving the policy of the current Nigerian Government for economic development and diversification
- Strengthen the existing bilateral economic relations between the two countries as well as create a platform for business and investment networking, match-making, and joint venture partnerships between Nigerian and Italian business communities
